

Methodist Pediatric Outreach presents:

# RESPIRATORY DISTRESS IN THE NEWBORN

*presented by neonatologist  
Dr. Christina Stine*

**Where:** Medina Regional Hospital  
Conference Room  
Hondo, TX

**When:** Friday September 8, 2017  
1230-1330

**Who:** For medical providers involved  
in the care of infants.

**The learner will:**

- Increase understanding of the underlying causes of respiratory distress in the newborn,
- Increase understanding of common newborn diagnosis,
- Increase awareness of the normal newborn congenital heart defect screening,
- Increase understanding of congenital anomalies that contribute to respiratory distress.
